Commissioner for Patents

Dear Sir:

RECEIVED

Technology Center 2100

With regard to the above-identified application, the items of information listed on the enclosed Form 1449 are brought to the attention of the Examiner.

This statement should be considered because it is submitted before the mailing of a first Office Action after the filing of a Request for Continued Examination under 37 C.F.R. § 1.114 or a CPA under 37 C.F.R. § 1.53(d). Accordingly, no fee is due for consideration of the items listed on the enclosed Form 1449.

In accordance with 37 C.F.R. §1.98(a)(2), a copy of each document or other information listed on the enclosed Form 1449 is provided. Thirty-four pending patent applications are listed on the Form 1449 under "Other References" that are assigned to the same assignee as the above-captioned patent application. Attached to the Form 1449 are portions of each of these patent applications, including the Field of the Invention, Background of the

Invention, Summary of the Invention, Claims, and Abstract. The Brief Description of the Drawings and the Disclosure of the Invention sections for each patent application are not attached because these sections are identical for these thirty-four applications and the above-captioned application. Applicants previously submitted these items but they were not considered by the Examiner because the U.S. Applications were not identified by inventor.

No representation is made that a reference is "prior art" within the meaning of 35 U.S.C. §§ 102 and 103 and Applicants reserve the right, pursuant to 37 C.F.R. § 1.131 or otherwise, to establish that the reference(s) are not "prior art." Moreover, Applicants do not represent that a reference has been thoroughly reviewed or that any relevance of any portion of a reference is intended.

Consideration of the items listed is respectfully requested. Pursuant to the provisions of M.P.E.P. 609, it is requested that the Examiner return a copy of the attached Form 1449, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Please charge any additional fees or credit any overpayment to Deposit Account No. 13-2725.

Respectfully submitted,
